

Trophy Sunday Explained

Dear Masters,

In 2026, we are excited to introduce the new Trophy Events for Mixed Double Sculls and Mixed Quadruple Sculls alongside our existing Masters Single Trophy. To accommodate these new events and allow multiple starts in the 1x, 2x, and 4x Trophies, as well as the Mixed Eights, we've organized the schedule for Sunday with breaks. These breaks will be used for our charity event, "Rowing Against Cancer," like the format in 2024.
